

Pastor, you are invited: "Theology of Persecution"

International Partnership Ministries' staff and missionaries are gathering for our annual IPM Symposium.

David Bennett, Director of Silent Word Ministries International (SWMI), will be our guest speaker. He leads SWM's international outreach and trains leaders and evangelists worldwide. His topic, the "Theology of Persecution," has touched countless hearts and encouraged the Lord's workers in the harvest. Persecution is coming to the USA. This seminar can help you as you minister at home and abroad.
